

## Securely Store and Access Your Data in the Cloud

Want to move more of your organization's systems and files to the cloud? ImageSilo is the world's most-trusted cloud Enterprise Content Management (ECM) system.

### EFFICIENCY NOW

- Store documents in the cloud to improve efficiency by allowing secure 24/7 access from anywhere on virtually any device.
- Free IT departments from managing growing amounts of data with scalable and maintenance-free storage.
- Use keyword searches to find any document in seconds.

### CONTROL NOW

- Restrict access to information through user, function, project and document security settings.
- Gain regulatory confidence with evidence of audit trails, security controls, user activity, document history, and records retention policies.
- Get the peace of mind that comes from knowing your documents are always protected if disaster strikes.

### MONEY NOW

- Write off the cost of ImageSilo as an operating expense on your business taxes.
- Save money by eliminating hardware and IT costs.
- Reduce the cost per document processed by managing files electronically.

*"ImageSilo makes everything so convenient for us. Staff can access the information they need about 97% more quickly. This allows us to focus more time on providing the best care possible for our patients."*
