

GRAPHIC ARTS SCANNING SERVICES

DIGITAL IMAGE CAPTURE FOR REFLECTIVE AND TRANSMISSIVE MEDIA

Crowley Digitization Services provides high-quality film and reflective print capture of large volume photographic collections. With decades of experience, Crowley's digitizing services represent the largest photographic film and print scanning capabilities in the industry with a throughput capacity of thousands of images per day.

Media Preparation

- Catalog and check materials against client's manifest
- Scanning prep (remove staples, and paper clips, smooth and flatten, sort by scan batch etc.)
- Dust removal on transmissive media

Media Formats

Reflective Material

- Black and white and color photographs
- Art Prints, illustrations, etc. up to A0 size (33.1 x 46.8 in / 841 x 1189 mm)

Transmissive Material

- 35 mm and 120 mm film, negatives and slides
- 4x5 in through 8x10 in films and reflective prints
- Glass plates
- Daguerreotypes
- Tintypes
- Ambrotypes

Capture and Output Options

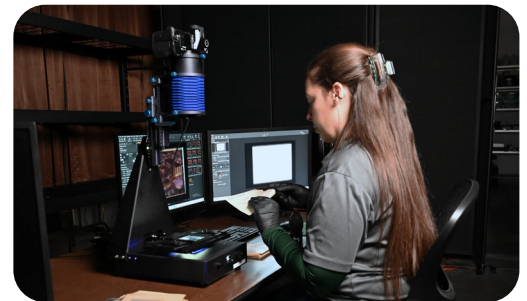

- 600 to 8000 ppi, depending original media size
- Output to various master and derivative file formats up to 10,000 dpi
- Master files: CR2 and .IIQ files
- Derivatives: TIFF, JPG and PNG formats
- Other file formats available upon request

Additional Output and Service Options

- Metadata additions
- Delivery via FTP external drives for customer post-processing
- Manual indexing
- XML and Prism conversions
- Document management solutions
- Inventory assessment
- Image quality consultations

Guideline-compliant Capture

Using advanced digital back cameras and scanner systems, Crowley can capture transmissive and reflective media to the Federal Agencies Digital Guidelines Initiatives (FADGI), Metamorfoze and ISO guidelines to create digital images that are measurably accurate to the original.

The Crowley Advantage

The Crowley Company is the only firm in the industry that manufactures and distributes scanners, puts them to use in-house and supports them globally. This unique ability to embrace the full life cycle of digitization services allows the Crowley team of professionals to understand, accept, adapt, foresee and react to any collection digitization challenge.
